The President's Message

Greetings!

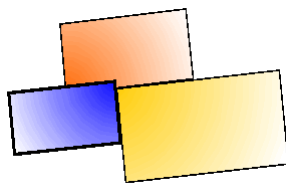

Last month and this upcoming month will prove to be two of our busiest of the season with still many events to come. Dave and Nancy Collette's picnic was a real hit again this year. I asked Dave how many years he has been doing the picnic, and his response was "I think 34 years". Nancy stepped in and told me, it's more like 40 years now. The morning started out with a monsoon as I left the house in Boardman but once meeting the troops at Browns things dried out and it continued to turn out to be a great day. There were plenty of vintage vehicles from the oldest, a 1907 Ford Woodie to the newest, a 2025 Red Corvette. There was plenty of good food to be enjoyed.

The Beaver Cruise was a huge success as always with around 34 members joining in.

Upcoming next month: the Karen Coberly Memorial Poker Run will be September 13th with a great course to be enjoyed. There are many interesting sites to be seen during our ride to the end like a pig, a couple of lions together, to a lunar lander and many more to see along the way. The restaurant has been changed to Crooked Paddle; I met with the owner, and she is on board. I'm sure this will be a great event which will be remembered for some time. We will be needing a list of how many will be participating.

Would like to thank everyone for making our club a great success. There is always someone with an idea, willing to help, and just participate in our events. I am proud of our dedicated members and happy to be a part of Corvettes of PA.

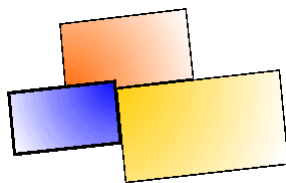

See you at the next meeting,
Paul

On the Horizon - Upcoming Events

By Jim Kinest, Activities Coordinator

Thank you for the PVGP Help. Thank you so much to the members who helped me with the Pittsburgh Vintage Grand Prix Schenley Car Show. Eddie Coberly, Dave & Theresa Dreher, Ron Knorr, Paul Schulze, Al Syrek, and Joe Walent went to the park on Friday morning to help setup the Chevrolet parking area. We were done in less than 2 hours! They all helped in the past and were familiar with the layout, and we made one improvement thanks to Eddie to help prevent cars from parking in the exit lanes. Their reward – awesome pizza from Mineo's. On the weekend, Jim Mauck joined Eddie, Dave, and Ron helping with directing the Chevrolets from Schenley Drive to our area and parking the cars in our area. We had at least 120 Chevrolets in the 2-day show.

And a special recognition goes to Paul "PJ" John for his many hours over multiple days transporting the GT40 Sweepstakes car with his personal truck. From picking up a trailer in Bridgeville and the GT40 at Dual Devil's in Houston, to transporting the car to 5 locations, and then returning everything, he did so with care and safe driving. Trust me, he was thrilled to drive the car, even for the short distances! Ken Dietrich also lent a hand when we were short one person to take the car to Phipps Conservatory. Finally, Jim Mauck kept the GT40 in his garage for 2 evenings so it could be displayed at the Beaver Cruise.

On a personal note, and on behalf of the PVGP, thank you for your time so many could have a rewarding PVGP experience, all for the benefit of our charities.

There are 2 good ways to navigate around Corvettes at Carlisle:

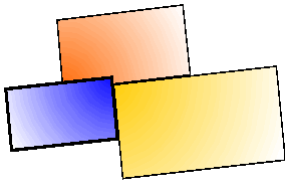

- 1). Follow Rob Golletti and Lori Saska around - Any day, all day!
- 2). Click on the link below to the Corvettes at Carlisle Event Guide. My favorite sections - the schedule of seminars, and the locations of the vendors, especially if you are looking for specific parts or vendors.

Use either of these methods to get the most out of your Carlisle visit.

Invitation from Steel Town Corvette Club

We have received an invite from Steel Town to join them on Sunday October 19 to see the movie "The Quest" at the Strand Theater in Zelienople.

We have at least 16 from COPa attending. We will be making arrangements for having dinner in Zelienople prior to the movie, so if you would like to join us, get your tickets below and let Lynn Syrek know you would like to be included in the dinner reservation. las@zoominternet.net

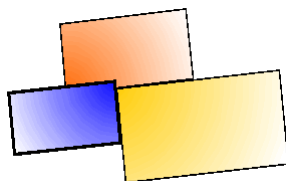

THE QUEST chronicles the beginnings of Corvette Racing at the famed Le Mans 24 Hour Endurance Race in France. Corvettes first appeared there in June of 1960. The film re-caps that historic race and what happened to both the Corvettes and their drivers.

Following the race, all the Corvettes were lost for decades. Collectors, restorers and enthusiasts came to recognize the historical significance of these cars, and an undercurrent of frantic searching for them was put into motion.

Corvettes at Carlisle co-founder Chip Miller set a personal goal of finding the 1960 class-winning #3 Corvette, acquiring it, and restoring it. Finally, he wanted to return it to Le Mans in 2010, with one of the original drivers, legendary racer John Fitch, to mark the 50th anniversary of the car's win. But a chain of heartbreaking events prevented Chip Miller from completing his vision.

THE QUEST reveals a series of sub-stories that all feed into the emotional tale of a son doing what he felt compelled to do in honoring his father's wish. Told by many of the people directly involved, THE QUEST uses archival materials to weave a story never told in its entirety...until now.

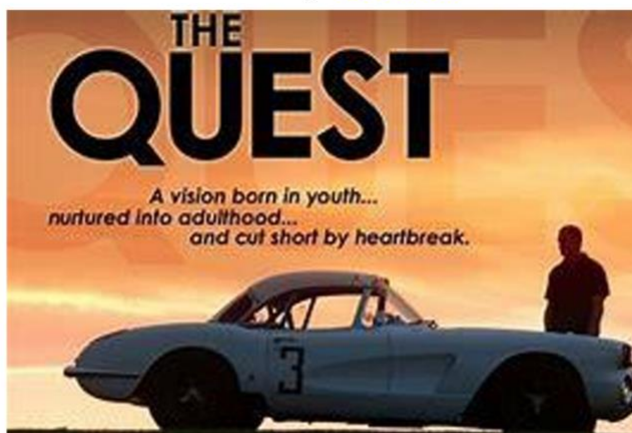

The \$10 per person tickets must be purchased COPa members before Sept 30 – no tickets will be sold at the door. See the details below:

Steel Town Corvette Club Presents

Four Corvettes raced at the 1960 24 Hours of Le Mans Endurance Race but the whereabouts of only three were known. Many decades later, Lance and Chip Miller of "Corvettes at Carlisle" decided to find the class winning #3 1960 Corvette and restore it to as raced condition. Depending on their success at finding and restoring the #3 Corvette, their ultimate plan was to return to Le Mans for the 50th anniversary of the #3 Corvette's historic victory with the car and one of the original drivers of the car.

"*The Quest*" is a riveting story told by those who experienced it all firsthand.

In the Spotlight!

By Kirsti Walent, COPa Editor in Chief

This month's "In the Spotlight" is a little different than previous months' spotlights. This month we are "spotlighting" the members who participated in the Lancaster trip in May.

Dear COPa friends,

This is a belated, but sincere note to express how much we appreciate being a part of COPa. What a special group of friends!

We realized how special during the Lancaster trip in June. When we had a problem with our Corvette, everyone there was so helpful and supportive. Brian Finnegan and Jim Mauck drove us to dinner the first day. When Joe Romano arrived with his SUV, we rode with him to all the activities. Jim Kinest, Jim Mauck and others offered help and tried to start our car with a battery pack – in the rain. Brian stayed to help us when our car was flat bedded to a local dealership for a temporary repair to get us safely home. Others kindly offered to follow us home. Everyone showed so much concern.

We thank all of you and look forward to enjoying other trips together – with our new shifter switches.

Jim and Rosemary

P.S. The members who were on this trip are:

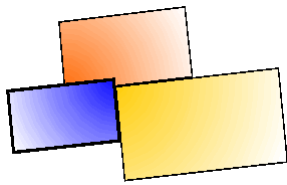

Brian Finnegan
Jim & Terry Mauck
Russ & Brenda Musta
Jim & Rosemary Prager
Joe Romano
Carl & Barb Stiefel
Al & Lynn Syrek
Judy Tharp & Jim Kinest
Kirsti & Joe Walent
