## The President's Message

Greetings!

Again, this year's picnic was a huge success thanks to Kirsti and Joe! Thanks guys! We had a really great turn out with 40 people, and it was so nice to see everyone and all the cars there even though we had a couple rainstorms come through.

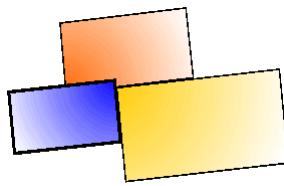

The Pittsburgh Vintage Grand Prix is upon us this month; hopefully we will see you there. Jim will be needing help at Shenley Park for members to help set up the parking area and with registration. Let's make this event a success again.

The Karen Coberly Memorial Poker Run in September is on track. The North Pittsburgh Corvette Club has been invited and with their help we will have a great time. This is for Karen so let's all get together for this event.

See you all at Turner's for our meeting this Thursday.

Paul

## New Members!

### New Members

This month we welcome back **Camie** son, **Nick Hayduk**. Their 2 Corvettes are Yellow '75, and a silver 2009 with a Z06. Also, we are glad to have **Tom** and **Antoinette Shipeck** join our club along with their gorgeous '78 coupe with the two-tone 25th Anniversary paint scheme.

Every member is asked to reach out to area Corvette owners and encourage their membership into Corvettes of Pa. They are welcome to a monthly meeting so they can see the activities we have scheduled. Please help in keeping COPa a thriving and constantly growing social organization.

Currently we have 65 memberships with 118 members. We have added 9 new memberships with 16 members so far this year. Let's keep growing!

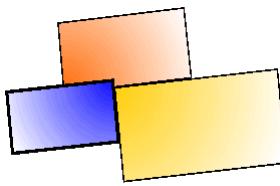

Our meeting attendance has been great so far this year. Let's keep it up. Unbelievably, the count was 27 for the first 4 meetings of 2025, 38 for the May meeting at ShuBrew and 40 at the picnic.

Share the COPa Membership Application with other Corvette owners. **Click** the link below and print out a few copies to keep in your Corvette or daily driver so that when you are out and about and see another Corvette, you can use it as a conversation starter or leave it on their windshield.

## On the Horizon - Upcoming Events

By Jim Kinest, Activities Coordinator

**PVGP Help Needed.** Once again, I will need assistance from the club for help at this year's Pittsburgh Vintage Grand Prix for the weekend in Schenley Park. I am responsible for the Chevrolet/Corvette parking area as it has been for the past few years. Starting on the morning of Friday July 18, a few members are requested to help layout the parking area on the golf course. This takes about 2 hours as I have notes from the previous years and the 2025 layout is expected to stay the same. Saturday & Sunday (July 19-20) is when I need the most help in directing the cars to the parking area, and handling registrations. The influx of cars becomes less around noon, so you will have the rest of the day to enjoy the car shows and vintage racing.

I will have a signup sheet at the next few meetings or simply send me a message at [72bigblock@comcast.net](mailto:72bigblock@comcast.net). Thank you for your assistance so others can have an enjoyable experience.

**Thurs July 10 - Club Meeting – Monaca Turners – 7pm.**

**Sat/Sun July 12-13 - PVGP Historics Racing @ Pitt Race Complex**

**Tues July 15 - PVGP – Waterfront Car Cruise, 4-9 PM. \$10 charity donation per car.**

**Wed July 16 - PVGP – Downtown Car Display**

**Wed July 16 - Men's Breakfast – Freedom Square Diner by Cinemark Theater – Carl Stiefel contact – 9am**

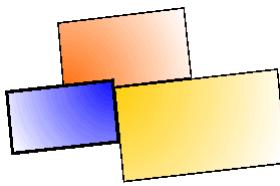

**Wed July 16 - Ladies Lunch – Marbull's Restaurant & Tavern (5000 Rochester Rd, New Brighton, PA 15066) at Noon. Confirm your attendance to Terry Mauck (724-650-0845 or [tamauck@msn.com](mailto:tamauck@msn.com))**

**Sat/Sun July 19-20 - PVGP – Schenley Park Car Show and Vintage Racing**

**Sat July 26 - Dave Collette Picnic. Departing at 11:30 from Brown's Country Kitchen (1149 W Portersville Rd, Portersville, PA 16051 - on Rt 388, just off Rt 19 in Portersville).**

**Sat Aug 2 - Beaver Hot Summer Nights Car Cruise 11am – 8pm. Our normal parking place is under the trees between the Pavilion and the Post Office. Plan on meeting there early (before 8AM) as it fills up fast!**

### News Release from the PVGP

#### Spectator Viewing Areas at Schenley Park for Both Tracks - July 19-20, 2025

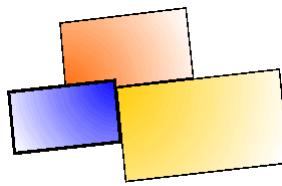

With one month to go until the July 19–20 Race Weekend, preparations in Schenley Park are accelerating despite a major new challenge. The closure of Panther Hollow Bridge, the traditional gateway to the circuit, has prompted a complete redesign of the event layout.

Organizers, working closely with the City of Pittsburgh's Special Events Committee and supported by more than 1,000 volunteers, are using the change as an opportunity to enhance the experience for fans and drivers.

This year's event will introduce a new hillclimb along a one-mile section of the original course through the golf course. A redesigned two-mile race circuit will also debut, climbing past the Schenley Skating Rink and looping around the Overlook and Oval for a more demanding and dynamic route.

Volunteers have been meeting on-site to revise track designs, plan logistics, and implement new safety measures. The scale and complexity of this year's adjustments rival those of the event's inaugural year in 1983.

Despite the disruption, anticipation is high. With 50,000 fans expected each day, the 2024 Schenley Park Race Weekend is set to be one of the most ambitious and exciting editions in PVGP history.

## Invitation from Steel Town Corvette Club

We have received an invite from Steel Town to join them on Sunday October 19 to see the movie "The Quest" at the Strand Theater in Zelienople.

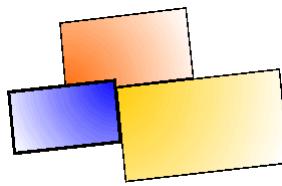

THE QUEST chronicles the beginnings of Corvette Racing at the famed Le Mans 24 Hour Endurance Race in France. Corvettes first appeared there in June of 1960. The film re-caps that historic race and what happened to both the Corvettes and their drivers.

Following the race, all the Corvettes were lost for decades. Collectors, restorers and enthusiasts came to recognize the historical significance of these cars, and an undercurrent of frantic searching for them was put into motion.

Corvettes at Carlisle co-founder Chip Miller set a personal goal of finding the 1960 class-winning #3 Corvette, acquiring it, and restoring it. Finally, he wanted to return it to Le Mans in 2010, with one of the original drivers, legendary racer John Fitch, to mark the 50th anniversary of the car's win. But a chain of heartbreakening events prevented Chip Miller from completing his vision.

THE QUEST reveals a series of sub-stories that all feed into the emotional tale of a son doing what he felt compelled to do in honoring his father's wish. Told by many of the people directly involved, THE QUEST uses archival materials to weave a story never told in its entirety...until now.

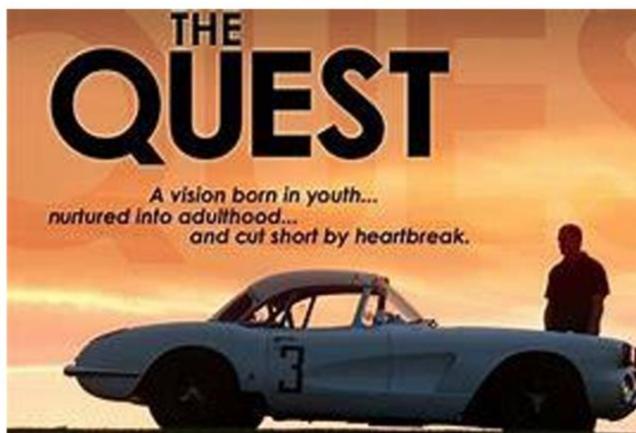

The \$10 per person tickets must be purchased COPa members before Sept 30 – no tickets will be sold at the door. See the details below:

Four Corvettes raced at the 1960 24 Hours of Le Mans Endurance Race but the whereabouts of only three were known. Many decades later, Lance and Chip Miller of "Corvettes at Carlisle" decided to find the class winning #3 1960 Corvette and restore it to as raced condition. Depending on their success at finding and restoring the #3 Corvette, their ultimate plan was to return to Le Mans for the 50<sup>th</sup> anniversary of the #3 Corvette's historic victory with the car and one of the original drivers of the car.

"*The Quest*" is a riveting story told by those who experienced it all firsthand.

## In the Spotlight!

By Kirsti Walent, COPa Editor in Chief

### Introducing Brian Krull

Brian Krull is a fairly new member of COPa. He just joined in the fall of 2024 and has not had a chance to hold any official position with COPa yet. Brian has a 2022 C8 3LT Stingray convertible Corvette in Hypersonic Grey. His advice to new members, is spend the extra money and upgrade. What he likes so far about the club is that the members are nice people to cruise with. He has been on one cruise so far, the one to the Red Fox Winery and Sarris Ice Cream. He also attended the picnic.

Brian was born and raised in South Florida but has lived in this area for 27 years. He now resides in the city of Pittsburgh, in Brighton Heights. His father and son inspire him; his dad can do anything and his son is a superman. Brian drove his first Chevelle 1970 during high school. He entered the Navy becoming a corpsman and was stationed in Virginia Beach where he drove his second Chevelle 1972. After the Navy, he attended paramedic school in Cleveland Ohio. Married and moved to Pittsburgh working as a medic in Hampton and then joining the Pittsburgh Bureau of Fire in 1999.

Brian has 3 adult children, Josh, Megan, and Andrew, who all live in Pittsburgh. Brian always enjoyed the older Corvettes and was considering an older Corvette but his son, also a car enthusiast, talked him into buying a new mid-engine Corvette. He picked up his Vette in March of 2022 in the world's best color, hypersonic grey. Brian and his girlfriend, Beth, enjoy taking rides in the Vette and look forward to having fun with the club!

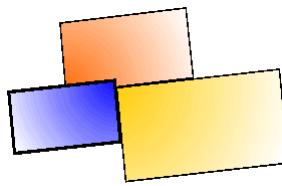

What you may not know about Brian is that he has spent much of his 24+ year Fire Fighting career at Engines 32 and 35. During the last 4 years he has been teaching at the Pittsburgh Bureau of Fire Training Academy. Captain Krull provides ongoing training for the 700+ city firefighters and provides EMT Training for the fire rescue classes. When he isn't busy with his job, he plays golf occasionally, he likes to bowl and loves sitting in the pool.

His favorite place to travel was Australia and next he would like to travel out west to see the state parks, Grand Tetons and Yellowstone. Hawaii is also on his bucket list.

Please welcome Brian to the Club!

## On the Road Again...

### West Virginia - New River Gorge

West Virginia's iconic New River Gorge is a must-see, and the trip organized around it makes it well worth it. Start at Fayetteville and marvel at the New River Gorge Bridge, one of the **world's longest steel arch bridges**. Take Route 19 north to Weston, then head east to Elkins, and finally south through the Monongahela National Forest towards Lewisburg.

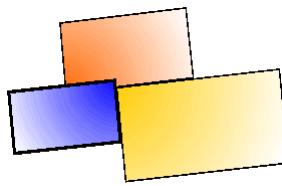

This one to two-day, approximate 236-mile journey opens up opportunities for exciting exercise; enjoy white-water rafting, hiking, and rock climbing!

The bridge is the third-tallest in the country and the tallest in the State of West Virginia, with a height of 876 feet. The single-span arch bridge is 3,030 feet in length, making it the nation's longest of its kind and the fourth longest in the world. The Michael Baker Company is credited with the designing of the tall bridge while its construction was done by the American Bridge Division of US Steel using COR-TEN steel. Construction of the bridge took place between 1974 and 1977 at the cost of about \$37 million. The bridge was opened on October 22nd, 1977. Daily traffic across the bridge is relatively high, with an estimated 16,200 vehicles crossing the New River Gorge Bridge each day.

## Red Fox Winery – Junior Redden Memorial Car Cruise

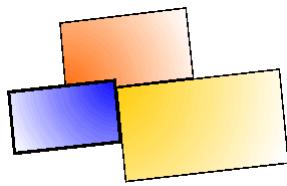

Nine COPa Corvettes enjoyed a leisurely drive down Route 18 to the Red Fox Winery in Hickory, PA, for the Junior Redden Memorial Car Cruise. Junior certainly was enjoying seeing the turnout of cruise cars, and Sandy was grateful for the support by our members - many who never met Junior.

Our members did have the chance to marvel at Junior's cars on display, including Sandy's 550 hp '75 coupe with a C2 stinger hood and side pipes, Jr's 1929 Rat Rod on a 4- wheel drive S- 10 Blazer chassis with a turbocharged LS1 motor pushing "around" 900hp, and a 1984 Fiero, with what has to be a frightening 600 hp. Also on display were four C3 Corvettes restored by Jr, including one that was completed two months before his passing. Rest in Peace Junior – there are many dirt tracks and drag strips above the clouds for you to enjoy. We concluded the hot day with ice cream at Sarris Candies in Canonsburg.

### Canton, Ohio Day Trip

Some of our COPa members took a cruise on Wednesday to Canton, Ohio area. The first stop was the Canton Classic Car Museum where in addition to cars, they have collections of everything you can think of. We stopped at Chloe's Diner for delicious lunch in a cool environment. Our next stop was at Northwest Auto Sales (Corvettes, Classics and Muscle Cars). All of the cars there are for sale and can be viewed on their website at <https://www.corvettesandmusclecars.com>

Then we drove to Taggarts Ice Cream for delicious ice cream sundaes. Our last stop was at Gervasi winery for a glass of wine.

## COPa 2025 Picnic, Adams Township Community Park

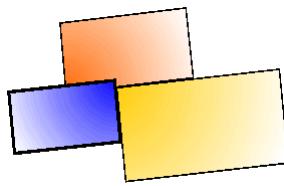

Good friends and Corvette COPa Family got together on Saturday June 28th at Adams Township Community Park for the annual summer picnic. Our President Paul walked us through a quick meeting. Jim shared the clubs' calendar of events. The monthly meeting came to a close and the picnic got underway!

What a great group of people and a wonderfully organized event. Kirsti and Joe arranged a delicious menu! We had burger sliders alongside chicken salad croissants and chicken skewers. A Caesar salad and fruit salad were perfect accompaniments. The sides were just the right choice for a hot summer day. We ended our lunch with cake and ice cream! A club favorite. Thank you for the cold drinks and Jell-O shots. They were so refreshing!

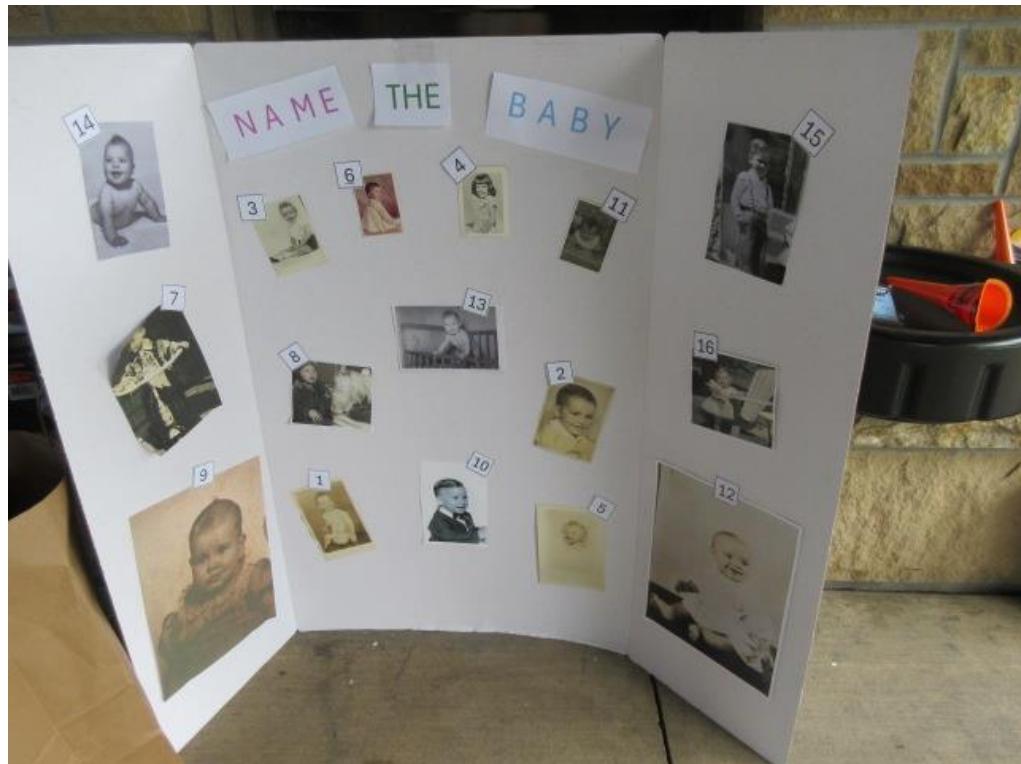

The group enjoyed games and prizes, including a baby picture naming contest. We had fun pulling tickets for the 50/50, scratch off tickets, and other great prizes. Spending the afternoon together, we shared stories of our cars, but also of our families, friends and life experiences. We have members who have done extraordinary things in their lives. What started off as a beautiful day turned into a torrential downpour as our picnic ended. We donned our water wings and umbrellas to swim out to our cars. Thank you to the many members who guided us down the hill, jockeying the mud and narrow driveway. May it be just as fun next year!

*By Beth Michel*

Kathy Varna took the top prize by naming 8 out of 16 babies correctly and Jim Mauck came in at the bottom with zero (0) correct.
