The President's Message

Greetings!

I would like to thank Joe Walent for stepping up and accepting the position of Vice President. Thanks Joe!

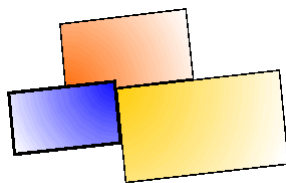

Those of you that missed the Auto Show last month missed an interesting time at the Vintage Gran Prix booth. There was an actual GT 40 that raced at La Mans, Jim and I spoke with one of the drivers about driving in such a grueling race, very interesting.

Jim has been working to see that we all have a great time this year with all the upcoming events, this will be a busy year.

Last month's meeting at ShuBrew was a huge success due to the efforts of Lynn and Kirsti, thanks ladies, great location and good cookies and cake.

See you at the meeting!
Paul

On the Horizon - Upcoming Events

By Jim Kinest, Activities Coordinator

Winter Activities

An improvement we need to work on is having members plan some outings in the winter months to keep us active. I feel a reasonable goal of having only 2 members a month plan an outing is very achievable. Who can step up? It doesn't take a lot of effort to plan a dinner or brunch, and I have a few other ideas if you need a starting point.

Wed March 19 - Men's Breakfast – Freedom Square Diner by Cinemark Theater – Carl Stiefel contact – 9AM.

Wed March 19 - Ladies Lunch, 12 noon, at Brady's Run Grille (449 Constitution Blvd, New Brighton, PA 15066. (724)-843-9001). Contact Terry Mauck by text at 724-650-0845 if you can come.

Thurs March 27 – Bowling at Sheffield Lanes, 11AM, 818 Raccoon St, Aliquippa, PA 15001. \$20 for 3 games, shoes, and lunch. Want only lunch - \$10.

Trip to Lancaster, PA

As of now, 16 members are going on the trip to Lancaster, Pa (May 19 – 22). All 16 have purchased tickets to see Noah at the Sight & Sound Theater for the Wed May 21, 3PM show.

If you are interested in the trip, I suggest you get Noah tickets if you would like to see the show, secure a hotel room, and let me know ASAP. Hotel room availability in the area is limited due to the shows per hotel manager, and our hotel is now sold out.

Itinerary for the "Trains, Planes, and Automobiles" Trip:

Mon 5/19 – AACA Museum in Hershey, and Choo Choo Barn in Strasburg if time permits.

Tues 5/20 – Mid Atlantic Air Museum, ride the Strasburg Railroad

Wed 5/21 – Barry's Car Barn, Noah

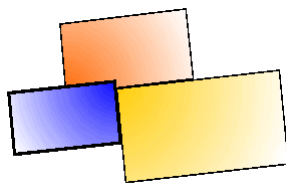

Thur 5/22 – Railroad Museum of Pa, depart for home.

Lots to see and do in the Amish area of Strasburg – unique restaurants and creameries, quite a few covered bridges, and many Amish attractions all in the immediate area.

On Thurs after the Railroad Museum, all are welcome to join Judy & I as we head east for about 45 minutes to tour Longwood Gardens in Kennett Square PA. She & I are spending a few extra days in the area.

Reach out to me if you have questions.

On the Horizon - Upcoming Events continued...

Titusville Railroad/Murder Mystery Show

I am proposing the following event on Sept 27 with the Titusville Railroad/Murder Mystery show to see what interest there is in attending. The following is what I found out for the event:

- Sept 27, 2025
- Titusville Rail trip included
- Schedule for the event is
 - 3:30 PM check-in
 - 4:45 PM meal
 - 6:00 - 8:45 PM Train ride
- Over by 9:30 PM
- Show theme for that day is Momma Mia Mayhem.
- Total Cost for dinner show and train is \$80 per person.
- Caboose hotel rooms on location are still available for about \$100 for one night.
- Ticket purchases can be made at 814 676 1733.

Be sure to mention you are with CoPA when purchasing tickets since they will assign seats at dinner and train together for all those that identify themselves as with CoPA. Let me know of any questions. Tickets for dinner/show/train and caboose hotel rooms will sell out.

Last I heard about 28 event seats left and 8 caboose hotel cars remaining for that event day. Office hours for taking orders are 9:00 AM - 3:00 PM. Other hotels in the area for those who need one. Titusville Railroad is also telling me if you purchase tix for the planned Sept 27 event and end not being able to go that day you can redeem the tix for another similar event in the remainder of 2025 or all of 2026 if you notify them in advance.

Thanks, Joe Romano

National Corvette Museum

The Iconic Skydome

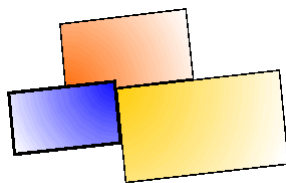

The Skydome is the National Corvette Museum's most iconic gallery and a Bowling Green landmark. Designed by Neumann/Smith Architecture, it was created to be futuristic and instantly recognizable. Its round shape resembles a Corvette speedometer when viewed from above, while its bright yellow paint and towering red spire make it a standout for travelers on Interstate 65. Despite its name, the Skydome is technically a frustum, with a conical base and a red spire reaching 128 feet high, topped with lights visible for miles. As part of the Museum's award-winning architecture, the Skydome embodies the speed and excitement of America's Sports Car.

In the Spotlight!

By Kirsti Walent, COPa Editor in Chief

(Rose is in the middle)

Introducing **Rosemarie Leslie (Rose)**. Rose was born in Rochester, PA and has lived in the area all her life. She joined COPa 25 years ago and has enjoyed many outings with the club. Rose owns a 1974 Mille Miglia Red Stingray and a 1980 Dark Claret Corvette. At one time, Rose served as the Officer at Large and loves the many wonderful people she has met in the club; they have become lifelong friends. She likes being with fun people doing fun things and her most memorable outing was at the Western PA Corvette Council Picnic that our club hosted at Brady's Run Park Lodge in 2002. We had at least 200 to 300 Corvettes show up. What a Beautiful sight!

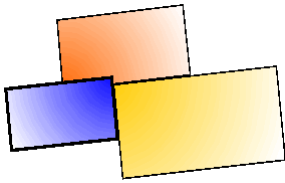

Rose's inspiration comes from God and her friends and family. She loves driving her Corvette, going to the gym, hanging out in her pool, karting, shooting her guns and getting ink (adding tattoos to her collection). Her favorite places to travel are Nashville and Key West. Something you might not know about Rose, is that she set a record in high school for doing 2000 sit-ups without stopping. Her very favorite memory is seeing her kids for the first time.

Where is Rose heading next? Nashville and Key West to get some ink from her second cousin.
