## The President's Message

Greetings!

I am very excited about the activities that are slated for our upcoming season; Jim has been working very hard. Thanks Jim!!

Joe Molokach and I have been working on a Poker Run for this fall. It's going to be similar to one held years ago with a few variations. Stay tuned for future updates. We have decided that it will be the Karen Coberly Memorial Poker Run.

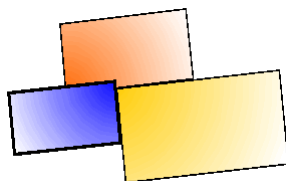

Trish and Gary Zinchan made it back from another successful horse show in Florida but coming back home was another matter. Gary said something about buying stock in Goodyear Tires??

Brenda and Bob Nahrwold also made it back from their vacation to the west coast of Florida. Thanks for all the great pictures you posted on your Facebook.

Hope to see everyone at our next meeting on Tuesday May 13<sup>th</sup> at Shubrew in Zelienople. Come early to enjoy the good food and drinks.

See you at the meeting!  
Paul

# Welcome

## New Members!

### New Members

This month we welcome Bonnie August and her '65. Yep, the same Bonnie August of Bonnie August Florals on the main street in Beaver (458 3rd St, Beaver, PA 15009 (724) 728-2567). Looking forward to meeting you and seeing your Corvette.

Every member is asked to reach out to area Corvette owners and encourage their membership into Corvettes of Pa. They are welcome to a monthly meeting so they can see the activities we have scheduled. Please help in keeping COPa a thriving and constantly growing social organization.

Currently we have 61 memberships with 111 members.

We have a good number of people who are attending our monthly meetings. Unbelievably, the count has been 27 for the last 4 meetings.

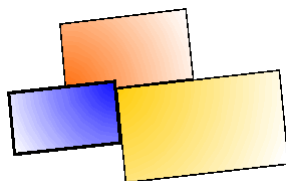

Share the COPa Membership Application with other Corvette owners. Print a few out to keep in your Corvette so that when you are out and about and see another Corvette, use it as a conversation starter.

## On the Horizon - Upcoming Events

*By Jim Kinest, Activities Coordinator*

**LOTS going on between the meeting on Tuesday May 13 and the Picnic on Saturday June 28.** Surely there is something for you to attend and enjoy your time with fellow members and your Corvette.

[PVGP Help Needed.](#) Once again I will need assistance from the club for help at this year's [Pittsburgh Vintage Grand Prix](#) for the weekend in Schenley Park. I am responsible for the Chevrolet / Corvette parking area as it has been for the past few years. Starting on the morning of Friday July 18, a few members are requested to help layout the parking area on the golf course. This takes about 2 hours as I have notes from the previous years and the 2025 layout is expected to stay the same. Saturday & Sunday (July 19-20) is when I need the most help in directing the cars to the parking area, and handling registrations. The influx of cars becomes less around noon, so you will have the rest of the day to enjoy the car shows and vintage racing.

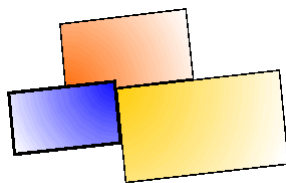

I will have a signup sheet at the next few meetings, or simply send me a message at [72bigblock@comcast.net](mailto:72bigblock@comcast.net). Thank you for your assistance so others can have an enjoyable experience.

[Canton Ohio Day Trip, Wed June 25.](#) Plan on a full day (and an overnight stay if you like) in the Canton Area. First stop is the [Canton Classic Car Museum](#), followed by lunch at [Chloe's Diner](#). Then it is more cars at [Ohio Corvettes and Muscle Cars](#), topped off with ice cream at [Taggart's](#). But wait, there's more! Final stop is at [Gervasi Vineyard](#) for their 5-8PM car cruise. As of April 23, 10 rooms remain at Gervasi should you like spend an evening or 2 and return home later. Signup sheet will be at the May & June meetings so I can call to have adequate seats at the diner.

[Titusville PA Weekend Trip](#) - Joe Romano is planning a weekend getaway on Sept 27-28 to the [Titusville Railroad/Murder Mystery Show](#). The Titusville Rail trip show theme is Mamma Mia Mayhem, and the cost for dinner show and train is \$80 per person. The schedule for this Saturday event is:

3:30 PM check-in.    4:45 PM meal    6:00 - 8:45 PM Train ride    Over by 9:30 PM

An overnight stay at one of the caboose hotel rooms on location are available for about \$100 for one night. Ticket purchases for the dinner and caboose hotel can be made at 814-676-1733. Be sure to mention you are with Corvettes of Pa when purchasing tickets since they will assign seats at dinner and train together for all those that identify themselves as with COPa.

# The 'Glass Gazette'

## *On the Horizon - Upcoming Events, continued...*

The dinner train and caboose rooms are expected to sell out so don't delay with your reservations. A Quality Inn & Suites (511 W Central Ave, Titusville, PA 16354 (814-827-0041) is located close to the Titusville Railroad as an alternate location.

Joe is also making plans for Sunday for us to enjoy an additional day in the area, and ideas are attend a theater show in Franklin, take a walk on the Appalachian Trail along the river, stop for dinner at the Log Cabin Inn or Springfield Grille. More to come. Thanks Joe!

**Thurs May 8 - One Lap of America** at Pittsburgh International Race Complex, 8:30 – 3:30

**Tues May 13 – Monthly meeting**, 7PM at ShuBrew in Zelienople (205 S Main St, Zelienople, PA 16063 724-766-4426). **Note the meeting location and date change.** Come early for dinner. Happy Hour specials are only until 6 so you might want to get your order in early to get in on the specials. Also, the rooftop bar should be open. So, check it out, especially if it is a nice day.

Due to the reconstruction of Market Square in Pittsburgh, the Wednesday Downtown Car Display (7/16) will only be at PPG Plaza, and due to the popularity of this event, it has already been sold out.

**Chevrolet / Corvette Parking** – We will remain in the same large location as the previous few years, across Schenley Drive from the American Show. I will occasionally receive registration lists, and will communicate with those registered with additional information and updates as they become available. You can register under the International Car Show, then select "Corvette" or "Chevrolet except for Corvette"

## In the Spotlight!

*By Kirsti Walent, COPa Editor in Chief*

Introducing Debbie and Ken Ruckert!

Debbie, Ken and their Yellow 2015 Stingray C7 are brand new members to COPa; they have been with us just over one month. They found COPa by searching the Internet for a Corvette club and ended up on our website. Lucky us!

Ken was born in Beaver Falls and Debbie was born in New Brighton. They now live in New Sewickley Township and have both lived in the area all of their lives.

Since they are brandy-new, they have not attended one of our events or activities yet but are looking forward to doing so and learning tips and tricks from current members. Both Debbie and Ken love meeting new people who have an interest in Corvettes.

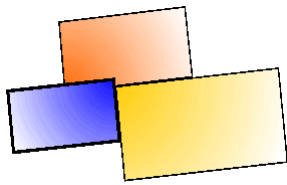

They are both inspired by their Lord and Savior Jesus Christ and Debbie likes quilting and swimming and Ken likes gardening.

While they do not have any upcoming travel plans for the near future one of their favorite destinations was Myrtle Beach.

## On the Road Again...

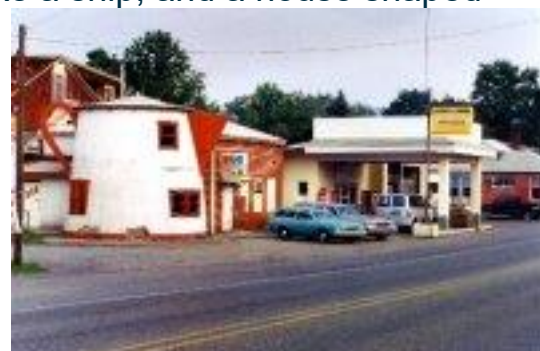

### LINCOLN HIGHWAY

*The nation's first coast-to-coast highway, the [Lincoln Highway](#) spans nearly 3,400 miles, from San Francisco to New York City. The route celebrated its centennial in 2013, and the portion of the highway that runs through south-central Pennsylvania is peppered with quirky stops and inventive attractions that highlight the area's history.*

Don't miss the [Lincoln Highway Experience](#) in [Latrobe](#), where you can learn about the highway and iconic Pennsylvania roadside architecture situated along the route, including a lunch stand shaped like a coffee pot, a hotel shaped like a ship, and a house shaped like a shoe.

Closer to Philadelphia, you'll find even more artistic landmarks along the Lincoln Highway, including the [Chester County Art Association](#) in [West Chester](#) and [Wharton Esherick Museum](#) in [Malvern](#).

While [Gettysburg](#) teems with storied battlefields and historical sites, the city is also home to a thriving community of artisans. Eat your way through the city with [Savor Gettysburg Food Tours](#), which takes visitors on a tour of esteemed, locally-owned restaurants and confectionaries. After, visit downtown Gettysburg to peruse artsy shops like [Gallery 30](#) and [Lark Gift Shop](#).

Listed on the National Register of Historic Places, [Jean Bonnet Tavern](#) in [Bedford](#) is a worthy stop right off the highway for a nourishing meal, a night's rest, or a souvenir. The establishment's Cabin Shoppe offers books on local and state history, Pennsylvania metalwork, and handmade soaps, lotions and candles.

Sign up for a workshop at [Touchstone Center for Crafts](#) in Farmington, where renowned craftsmen teach classes on blacksmithing, ceramics, jewelry, glass, painting, and drawing.

Spend an afternoon at the [Southern Alleghenies Museum of Art](#) in [Ligonier](#), one of the museum's five branches in central and southwestern Pennsylvania. The museum has hosted many eye-catching exhibits and the art to see is sure to please.

# The 'Glass Gazette'

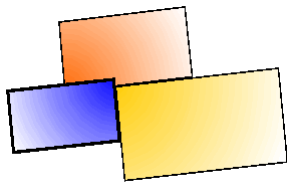

Muralist Wayne Fetto's 11 works portraying life along the Lincoln Highway can be spotted while traveling the route. In [Bedford County](#), visitors can see his interpretation of two vintage cars traveling on the highway painted on the side of a [barn near Schellsburg](#). Or stop in the small [borough of Irwin](#) to see a Fetto mural representing the community's mining and industrial history.

To learn more about PA Route 6 and the Lincoln Highway in PA, check out the [PA Route 6 Alliance website](#) and the [Lincoln Highway Association website](#).
