October 2025

Next Meeting: October 9, 2025, 7 pm
Monaca Turners

The President's Message

Greetings!

I would like to thank everyone that attended the Karen Coberly Poker Run, what a great time we had. The course took us through some great scenery with many things to see. Feeding the vultures at the Spillway was an experience with birds and fish competing over the bread tossed to them, I even saw one gold Coy fish in the mix.

From there we all went to the Crooked Paddle Pub & Grill where we had a great meal, and prizes were awarded. Read more about the trip [here](#). After lunch we all went for ice cream just down the street which unfortunately to us the place was closed, on a Saturday?? Jim stepped up and found ice cream for us in Meadville. Topped off a great day! Again, thanks for everyone that attended.

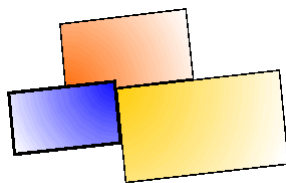

We still have a lot of activities for the year, just because the leaves are starting to change and fall to the ground does not mean the season is over. The upcoming ride to Foxburg on the 18th of Oct. should be another great event; we are hoping for another good turnout. This area should provide us with some great fall colors so don't forget to take lots of pictures and send them to Kirsti at jkwalent@gmail.com to be included in the next newsletter.

Some of our members are going on a vacation to islands in the Pacific where I know the weather will be great for them, hope to see many pictures. Have a great time Kirsti & Joe!

The next meeting will be at Monaca Turners on 10/9 at 7 pm.

COPa Membership dues for 2026 are due. Please read all about it [here](#).

See you all soon,
Paul

Invitation from Steel Town Corvette Club

We have received an invite from Steel Town to join them on Sunday October 19 to see the movie "The Quest" at the Strand Theater in Zelienople.

We have at least 16 from COPa attending. We will be planning to have dinner in Zelienople prior to the movie, so if you would like to join us, get your tickets below and let Lynn Syrek know you would like to be included in the dinner reservation. las@zoominternet.net

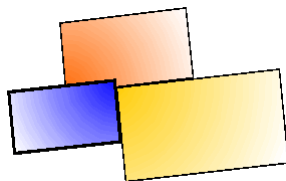

THE QUEST chronicles the beginnings of Corvette Racing at the famed Le Mans 24 Hour Endurance Race in France. Corvettes first appeared there in June of 1960. The film re-caps that historic race and what happened to both the Corvettes and their drivers.

Following the race, all the Corvettes were lost for decades. Collectors, restorers and enthusiasts came to recognize the historical significance of these cars, and an undercurrent of frantic searching for them was put into motion.

Corvettes at Carlisle co-founder Chip Miller set a personal goal of finding the 1960 class-winning #3 Corvette, acquiring it, and restoring it. Finally, he wanted to return it to Le Mans in 2010, with one of the original drivers, legendary racer John Fitch, to mark the 50th anniversary of the car's win. But a chain of heartbreaking events prevented Chip Miller from completing his vision.

THE QUEST reveals a series of sub-stories that all feed into the emotional tale of a son doing what he felt compelled to do in honoring his father's wish. Told by many of the people directly involved, THE QUEST uses archival materials to weave a story never told in its entirety...until now.

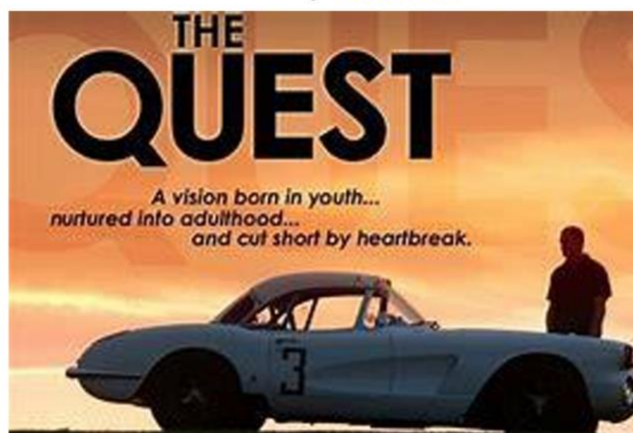

The \$10 per person tickets must be purchased COPa members before Sept 30 – no tickets will be sold at the door. See the details below:

Steel Town Corvette Club Presents

Submitted By: [Dave Oreski](#)

Four Corvettes raced at the 1960 24 Hours of Le Mans Endurance Race but the whereabouts of only three were known. Many decades later, Lance and Chip Miller of "Corvettes at Carlisle" decided to find the class winning #3 1960 Corvette and restore it to as raced condition. Depending on their success at finding and restoring the #3 Corvette, their ultimate plan was to return to Le Mans for the 50th anniversary of the #3 Corvette's historic victory with the car and one of the original drivers of the car.

"*The Quest*" is a riveting story told by those who experienced it all firsthand.

The winner of the GT40 drawing was Jack Wynn from Georgia and he has elected to take the \$175,000. The car will be auctioned in a national auction. Thank you to everyone who purchased tickets and put up with the emails and texts. Watching the sales closely, I assure you when the blast emails and texts are sent, there is a bump in sales. The PVGP charities will benefit greatly from your generosity.

And PJ got to drive the car one more time, moving it up one floor at Dual Devils. Rumor has it that there were tears involved since the car will not be driven to Georgia.

PS - the next car will be a Mustang Dark Horse.

In the Spotlight!

By Kirsti Walent, COPa Editor in Chief

Introducing Kathy and Dan Varna (and Micky Mouse)!

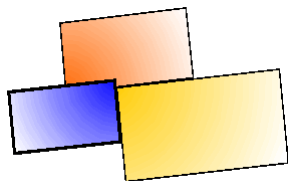

Kathy was born in Rochester, PA and Dan was born in McKeesport, PA.

Dan has lived in New Sewickley Township since they married 49 years ago. Kathy has lived in the same place all her life. They built their home on her parent's farm, so she just moved down the road.

The Varnas have been members of COPa since November 2017. While they have not served as officers, they appreciate those who have and do serve. They own a 2016 C7 corvette. It is their first and it was purchased new. Kathy always says it was Dan's mid-life crisis purchase but they have both enjoyed it.

Kathy and Dan love the club and love getting to know more members. They enjoy the members that they have been able to connect with personally. It's always good making new friends. They recommend you all do as much as you can with the club. They haven't been able to do a lot as they had parents to care for in the past few years but want to do more now that they have more time.

Both Kathy and Dan most enjoyed the train trip to Titusville years ago. They sat with Mark and Kaye and so enjoyed getting to know them both. They are both gone now but they have fond memories of

The 'Glass Gazette'

them. Kathy and Dan are going on the next trip to Titusville on the 27th of September and are looking forward to it as well.

Jesus is their inspiration. They met as a result of Him 53 years ago. Dan was a Hippie back then and Kathy sang in the Kathryn Kuhlman choir. Dan came to church one Sunday morning and she was a little afraid of him but after he gave his heart to Jesus and got a haircut, he was rather handsome. His friend introduced them, and they were married 3 years later. Kathy and Dan give Jesus the praise for all He has done in their lives.

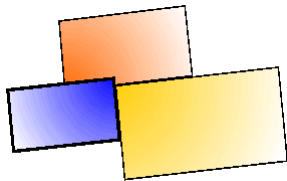

Dan used to golf, and he loved to do so. Kathy never really had a hobby, but she always liked to shop. Maybe that is her hobby. Kathy taught first grade for 35 years so just having summers off was great for her.

Kathy and Dan have been to the Caribbean on several cruises that they enjoyed. After retiring from school, they became travel agents and as a result were able to go on a couple of Disney cruises which they loved. Dan always was a Disney fan until recently when they seemed to have lost some family values. They had many fun times in Disney World. Something you might not know about Kathy and Dan is that Kathy threw him a surprise Mickey Mouse birthday party when he turned 40 many years ago now. It was a total surprise. Hard to do but she managed it with some help from good friends. Waitress asked how old the child was before Dan arrived. Kathy said 40.

They had a triple bicentennial wedding with Kathy's two sisters. Her dad walked down the aisle 3 times that day. He cleaned out the house in one day. Kathy and Dan were voted by many, they were later told, as the least likely couple to succeed. (A hippie and a farm girl.) They will be married fifty years next June. Sadly, the other 2 couples didn't make it; they are both remarried.

Kathy and Dan have so many wonderful memories of their life together. While they were never blessed with children they had many pet children throughout the years. They had Obadiah, Jeremiah, Moses, Elijah, Isaiah and Rebekah Jean. They always had 2 at a time so they would never be lonely. They were all cats. Their most special were the last 2. Isaiah was found by Dan in a barn when he needed straw for our yard. He became Dan's best friend. They had to bottle feed him as he was so small. They were both working at the time so Kathy's mom would do the afternoon feeding. She would feed, burp and make him watch "wheel of Fortune" until he went to sleep. He was more like a dog. Isaiah came when called and was always on Dan's lap for 18 years. Dan never sat on the couch without Isaiah. They made 15 trips to Florida with us in the winter. Sadly, they had to put Isaiah down on September 3. Hardest decision to make but he had vertigo and had such a hard time getting around that they knew it was time. If you have a pet, you understand.

Kathy and Dan don't really have a bucket list. They go to Florida every February and March, so they do look forward to that warmth instead spending the cold months in the Pittsburgh area.

Karen Coberly Memorial Poker Run

On Saturday, September 13, 2025, 25 people with 14 Corvettes from COPa and the North Pittsburgh Corvette Club (NPCC) participated in the Karen Coberly Memorial Poker Run. Thanks to Joe Molokach, Paul Schulze and Al Syrek for planning and coordinating this great event.

Unfortunately, we heard some sad news this week from NPCC about Robert Park. Here is the message:

Rob has suffered a serious stroke early yesterday (Sunday, 9/21). At this point we don't have a lot of information only that he is in the ICU at Allegheny General and is conscious, but unable to speak. As we get more information, we will pass it on. We ask that you keep Rob and his family in your prayers.

Joan and Rob were with us on the Poker Run. Please keep Rob and Joan in your prayers for a quick and complete recovery.

By Kirsti Walent

POKER RUN

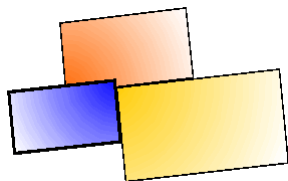

On Saturday, September 13, fourteen cars from COPA and NPCC departed Northgate Plaza in Zelienople, with a loaf of bread, on an absolutely perfect sunny morning for the Karen Coberly Memorial Poker Run. Joe Molokach provided home-made clip boards for the participants. The idea for these original clip boards was Cindy Molokach's. They were used in previous road rallies and Joe still had loads of them in a box above his garage. She would have enjoyed this Poker Run!

The route we would be driving was very similar to the route that was used in the COPA/NPCC Poker Run in June of 2004. The major difference in the routes was that this time we would be going through Volant and stopping at the Cheese House on the way to Greenville instead of going through Mercer to get to Greenville. Karen Coberly had told us that this was the most fun cruise she had been on with the club.

The endpoint of the Poker Run was the Crooked Paddle Restaurant in Linesville which was the old Spillway Inn back in 2004. We drove through the towns of Portersville, Volant, New Wilmington, Hermitage, Greenville, and Jamestown. Some charming towns that we usually don't get to see. We drove approximately 76 miles over some nice country roads.

The planning committee added an additional twist to this poker run by asking people to answer 15 questions about what they had seen along the way. Four teams answered all the questions correctly and were given a bonus card. They were Frank Snyder and Rob Vigue, Rob and Joan Park of NPCC, Denny Quigley and Frank Shepard of NPCC, and PJ and Pat John. A bonus card was also given to anyone who produced a sales

The 'Glass Gazette'

receipt from the Cheese House. I think that all the poker run participants received a bonus card! Eddie Coberly was seen leaving the Cheese House with several bagsful! Eddie later remarked to me how much he enjoyed going to the Cheese House with his family in the past.

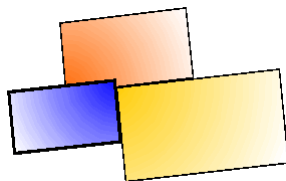

The group made a stop at the Linesville Spillway to feed bread to the carp, seagulls, ducks and geese. There was not a lot of carp there. According to Google, the colder weather causes carp to migrate to deeper, warmer water at the bottom of the lake. At the Crooked Paddle restaurant, Paul Schulze directed and parked the Corvettes in a very impressive row. Travelers driving past the Crooked Paddle had to be impressed! I certainly was as we were the last ones to arrive.

We were all seated at a long table and after the bonus cards for the correct answers were given out the moment of truth arrived. Each team opened their sealed envelopes which contained the cards that they had drawn. Three prizes were given out for the top three poker hands. Paul (PJ) & Pat John won first place with a full house for a \$50 Amazon gift card; second place went to Frank Snyder & Rob Vigue with a lower full house for a \$25 Amazon gift card and Eddie Coberly came in third with 2 pairs for a %15 Amazon gift card. After a wonderful and tasty dinner, the whole group gathered outside in a picnic area, and we held a moment of silence for Karen. Eddie Coberly spoke about his memories in a heart-felt manner that we all appreciated hearing.

Then most of us headed over to the "The Next Right Thing, Sweet Treats and Cool Eats" for some ice cream, but the organizers of the poker run messed up and forgot to check if they would be open. They were not!!! Not to be denied ice cream, we left Sweet Treats and Cool Eats in a caravan and proceeded to search for ice cream. Jim & Judy knew there was a Hank's Frozen Custard on the way to I-79 so off we went. As we were making the left turn, we saw that Hank's was permanently closed! Now being 0 for 2 for ice cream, Jim was hoping his recollection was correct that there was a Dairy Queen on the other side of I-79 in Meadville. Success!! We also took a short side trip to see PennDOT's Road Sign Sculpture Garden, unique murals and three-dimensional objects made from old road signs. It is a really a nice way to use the old road signs.

Enjoy the pictures below from the Karen Coberly Poker Run! A great time was had by all.
